

Gear Oil GL 5 EP 80W90

Description

Petromark Gear Oil GL 5 EP 80W90 is formulated using high quality virgin base oils incorporating anti-oxidation, anti-foam, anti-corrosion and sulphur phosphorous extreme pressure additives to comply with international specifications.

Applications

Gear oil GL 5 EP 80W90 may be used in a wide range of automotive and earthmoving gearboxes and differentials where the vehicle manufacturer recommends a GL 5 grade.
